**"THREE DIFFERENT SCHOOLS"**

We go to Elm Park School in the centre of London. Our school has got about 450 pupils and 20 teachers. It's got 22 classrooms, a library, a gym and a canteen. It's got a big playground. All the pupils live near the school. We can meet our friends after school and at the weekends.

Sarah

I go to Riverside School of Performing Arts. The school is for children with a special talent in music, dance or drama. We learn all the normal subjects, but we have extra music, drama and dance classes. I live at the school from Monday to Friday, but I see my family at the weekends.

I live on a very small island in Scotland. I don't go to school. There isn't a school on our island. I study at home with my parents. I also have some lessons with a teacher on the island. I talk to other children online. I meet other children to do sports.
