

## De compras

Calculá cuánto dinero tiene cada uno y **marcá con una X** el juguete que cada uno puede comprar.

The worksheet is divided into three horizontal sections, each containing a child's face, a toy, its price, and a set of money.

- Section 1:**
  - Child: Girl with blonde hair. Toy: Magic wand. Price: \$188. Money: One 100 banknote, three 10 banknotes, and eight 1 coins.
  - Child: Girl with red hair. Toy: Robot. Price: \$165. Money: One 100 banknote, four 10 banknotes, and four 1 coins.
  - Child: Girl with pink hair. Toy: Ballerina. Price: \$148. Money: One 100 banknote, three 10 banknotes, and eight 1 coins.
- Section 2:**
  - Child: Girl with red hair. Toy: Car. Price: \$175. Money: One 100 banknote, four 10 banknotes, and four 1 coins.
