

THE GLORY OF LOVE

Tonight it's very

As we're both lying

There are so many things I wanna say

I always love you

I would never leave you alone

Sometimes I just

Say things I might

It breaks my heart to see you crying

I don't wanna you

I could never make it alone

will

forget

clear

regret

here

lose

Chorus

I am a man who for your honor

..... the hero you're dreaming of

.....live forever knowing together

That we did it all for the glory of love

We'll

will fight

I'll be

You keep me standing

alone

You help me through it

all

I'm always strong when you're beside me

tall

I have always needed you

I could never make it

Chorus.....

Like a knight in shining armor

From a long time

day

Just in time I will save the

ago

Take you to my castle far

away

Chorus.....

We'll live forever

Knowing together

That we did it all for the glory of love

We did it all for love

We did it all for love

We did it all for love

We did it all for love
