

## How to make a laundry?

When our clothes are dirty  it's time  to do the laundry.

**1** First, take the clothes  and put in 

a laundry basket.

**2** Then, take some detergent  and pour

into the cup.

Do not try to taste it,   it's a poison .

Pour the detergent into the washer

3 Next, take the laundry **out**  of

the basket  and put into the washer.

4 Close the washer's cover and turn **on**  the start button.

5 When you hear a buzz   your washer

turns **off** . Your clothes are washed, but wet   . Take them **out**  of the washer and put into a

dryer. 

6 Close the dryer and turn it **on**  When you hear the buzz   again, your dryer turns **off**  All done.
