

Lesson 8: Space

Activity 3 Listening Track 33

Listen again. Match each student with what she thinks.

1) Melissa

a) Exploring space is important but dangerous.

2) Tanya

b) It is very expensive.

3) Tanya

c) One day, people will live on other planets.

4) Jasmin

d) Robots should go to space, not people.

5) Jasmin

e) We can use the money to help earth.
