sky and clouds - Patricians' Regiment - Manuel Belgrano

It is said that the rosette was firstly used on May 19<sup>th</sup> 1810 by the 1. \_\_\_\_\_  
when visiting Colonel 2. \_\_\_\_\_, head of 3. \_\_\_\_\_. However, on  
4. \_\_\_\_\_ 1812, 5. \_\_\_\_\_ requested the 6. \_\_\_\_\_ to formally set the  
use of a 7. \_\_\_\_\_ in order to standardise the 8. \_\_\_\_\_ uniforms and make its  
recognition easier. The 9. \_\_\_\_\_ rosette was introduced five days later. Although the  
reasons for the choice of the colours have not been explained yet, legend has it that the colours of  
the 10. \_\_\_\_\_ inspired him.
