

TASK: Writing: My Favourite Restaurant

Complete the paragraph. Use the words from the box.

There are many wonderful(1) in the UAE which offer cuisines from all around the world: Turkish, Greek, American, Italian, Japanese, Middle Eastern and Indian. However, my favourite restaurant is: 'The Cheesecake Factory'. This is because there are many different(2) to choose from. The(3) is mostly American, Italian and British.

I really enjoy(4) at The Cheesecake Factory because everything you find there is big. You will find big tables and big plates of food. I usually cannot finish my plate because there is too much to eat. My favourite dish is the pulled beef burger with salad and fries.

Another reason why I like The Cheesecake Factory is the(5). It is usually very busy because so many people love to eat there. I think it is a great place to relax with friends and family. The waiters/waitresses also give a great(6).

Finally, the best reason to go this restaurant is you find the biggest selection of cheesecakes. For example, chocolate, vanilla, strawberry, lemon and lime and red velvet cheesecake. There are 34 flavours to choose from! So, I recommend you go and visit it sometime. You won't be disappointed.
