

## TEST your English!

Copmplete the sentences in *Present continuous* (affirmative +, negative -, interrogative?).

- |                   |                                      |
|-------------------|--------------------------------------|
| 1. Carla and Andy | into town now (go).                  |
| 2. Andy           | his teeth at the moment (not brush). |
| 3. Billy          | in bed today (lie)?                  |
| 4. Billy          | out of the window (look).            |
| 5. We             | a poster (make).                     |
| 6. What           | you (do)?                            |

Make *Present continuous* sentences (+,-,?) with these words.

1. in the living room/watch TV/I/all day.
