Task 3. Read the text about the UK. Find 12 mistakes where “the” is used incorrectly. Write them down in the box under the text.

The Great Britain is the largest island in the Europe. It includes the England, the Wales and the Scotland. The United Kingdom is slightly different from the Great Britain because it includes the Northern Ireland. So, the full official name of the country is the United Kingdom of Great Britain and Northern Ireland. The UK capital is the London where the River Thames flows into the North Sea. The Grampians in the Scotland are the highest mountains with the Ben Nevis at 1,344 metres, the highest peak. There are also many large lakes or “lochs” in the Scotland including the most famous one, the Loch Ness. The Loch Ness Monster, sometimes known as “Nessie”, does not exist.
