A DAY IN MY LIFE!

I am Tracy Jones. I am 13 and I live in London. Everyday, I get up, get dressed, brush my teeth and go to school. On Mondays I play basketball for Camden junior Lions. I have lots of friends in my team! On Tuesdays, I have lunch with my grandmother, I love her.

And on Fridays I read my favourite book. I love Harry Potter! On Saturdays I play computer games, and on Sundays I have tea with friends. When my day ends, I have dinner with my parents, have a shower and go to bed. My week is great!
