

HOJA DE TRABAJO 3 PARA 6° GRADO

ELABORADO POR EL LIC. AMILCAR DELGADO

A. INSTRUCCIONES: Encuentre el área de las siguientes figuras.

A.1)

$$A_s = \frac{\pi \cdot r^2 \cdot \angle}{360^\circ}$$

$$\text{Área}_s = \frac{\boxed{} \times \boxed{} \times \boxed{}}{\boxed{}}$$

$$\text{Área}_s = \frac{\boxed{} \times \boxed{} \times \boxed{}}{\boxed{}}$$

$$\text{Área}_s = \frac{\boxed{}}{\boxed{}} = \boxed{} \text{ Respuesta}$$

A.2)

$$A_s = \frac{\pi \cdot r^2 \cdot \angle}{360^\circ}$$

$$\text{Área}_s = \frac{\boxed{} \times \boxed{} \times \boxed{}}{\boxed{}}$$

$$\text{Área}_s = \frac{\boxed{} \times \boxed{} \times \boxed{}}{\boxed{}}$$

$$\text{Área}_s = \frac{\boxed{}}{\boxed{}} = \boxed{} \text{ Respuesta}$$

A.3)

$$A_s = \frac{\pi \cdot r^2 \cdot \angle}{360^\circ}$$

$$\text{Área}_s = \frac{\boxed{} \times \boxed{} \times \boxed{}}{\boxed{}}$$

$$\text{Área}_s = \frac{\boxed{} \times \boxed{} \times \boxed{}}{\boxed{}}$$

$$\text{Área}_s = \frac{\boxed{}}{\boxed{}} = \boxed{} \text{ Respuesta}$$
