Living and Non-living

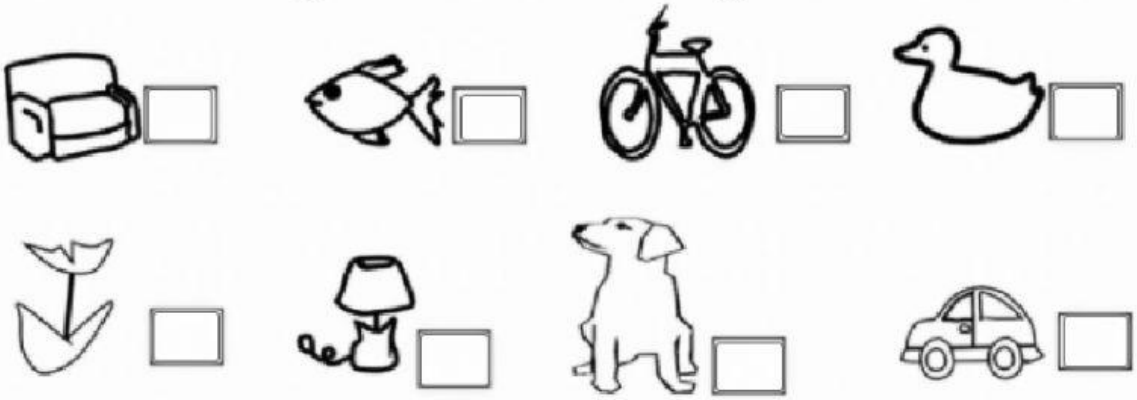

Living things can be plants or animals that are alive. They need food, air, and water to live. Living things eat, move, breathe, grow, and reproduce. **Non-living** things are not alive. They do not move, eat, or grow.

Complete the sentences using words from the box.

living	non-living	food	grow	water

1. All living things need air, water, and _____.
2. You are a _____ thing.
3. A _____ thing does not move or grow.
4. A puppy is a living thing. It can move and _____.
5. A plant needs _____ in order to survive.

Write **l** for living and **n** for non-living in the box.
