

## Listening Part 4

 04 For each question, choose the correct answer.

You will hear an interview with teenager Ella McHugh, who runs a business designing and making special products.

- 1 What gave Ella the idea for her business?
  - A She was looking for a way of using old objects she had at home.
  - B She wanted to help people who don't have electric power.
  - C She heard about a project that she thought was really good.
- 2 What did people think of Ella's first products?
  - A They liked one of the products and suggested that she make more to sell.
  - B They were enthusiastic about both of the products.
  - C They wanted her to sell some more old clothes.
- 3 Ella considers that her business started when she
  - A first sold some products.
  - B started offering products on the internet.
  - C began producing products.
- 4 Ella now has help with the business because
  - A the amount of work was more than she could do.
  - B two of her friends asked to be part of it.
  - C she needed a manager.
- 5 What does Ella particularly like about working with her friends?
  - A They can help her when she's feeling stressed.
  - B They can help her think up ideas for new products.
  - C They have the responsibility for creating new items.
- 6 Ella says her parents think that
  - A she isn't doing as well at school as before.
  - B she doesn't have enough time for school work.
  - C she's learning things that aren't taught at school.
