

Sophie's Daily Routine

1. Read Sophie's routine and complete the activities.

Sophie is eleven years old and she lives in London, England. She usually gets up at a quarter to eight, she has a shower and gets dressed. After that, she goes downstairs and has breakfast. For breakfast she usually has milk, toast and orange juice. Then she brushes her teeth because she likes them white and healthy!

Then she grabs her school bag and goes to bus stop to catch the school bus. Her classes start at half past eight and finish at half past four. She usually has lunch at school with her classmates about 10 o'clock. Her best friend is Amy and Sophie always sits next to her at lunch.

After school she returns home and does her homework. After homework, she usually listens to music and watches television.

At half past seven it is time for dinner. She eats a sandwich with strawberry juice. Then, she usually reads a book or chats with her parents for a while.
