

Just like a pill – Pink

1) These expressions are related to *health*. Can you match them with their definitions?

Itch

Not in good health, sick

Ill

A person who takes care of sick people

Morphine

Tablets of medicine

Life support

A tickling sensation in your skin that makes you want to scratch it.

Pills

A drug used to treat pain, it's highly addictive

Nurse

Equipment used to keep a seriously ill patient alive

2) Listen to the song and complete using the words from exercise 1 or choose one of the options.

I'm lying here on _____ where you left me

I think I took too much

I'm crying here, what _____?

I thought it would be fun

(CHORUS)

I can't stay on your _____.

There's a shortage in the switch

I can't stay on your _____.

'Cause it's making me _____.

I said I tried to call the _____ again

But she's being a little bitch

I think I'll get outta here, where I can

Run just as fast as I can

To the middle of nowhere

To the middle of my frustrated fears

And I swear you're just like a _____.

'Stead of making me better,

You keep making me _____.

You keep making me _____.

I haven't moved from _____ where you left me.

This must be a bad trip

All of the other pills, _____ different

Maybe I should get some help
