

# Listening Comprehension

**Listen and answer: are the statements true (T), false (F) or do they refer to information not mentioned ( NM)?**

## Dialogue 1

- 1 People used landline phones more in the past because they were cheaper for making calls.
- 2 The woman's landline phone bills were usually paid by somebody else.
- 3 Landline phones are becoming more popular again in the UK due to better signal reliability.
- 4 Only close friends and family tend to make calls via landline phones
- 5 Both speakers are concerned about the health aspects of using mobiles

## Dialogue 2

- 6 Both speakers say they prefer coffee from filter coffee machines rather than capsules.
- 7 Both speakers regard having a special type of coffee as a kind of treat.
- 8 The speakers agree that going to coffee shops is a good social activity.
- 9 Both speakers agree that filter machine coffee tastes just as good as capsule machine coffee.
- 10 The woman who owns a filter coffee machine fails to be persuaded into buying a capsule one
