

Partes de la computadora

Uno con una línea la parte de la computadora con la parte del cuerpo que se relaciona.

The image contains a matching exercise grid with two columns. The left column features four computer-related items: a smiling monitor with arms and legs, a smiling mouse with arms and legs, a blue tower PC case, and a keyboard with colorful keys. The right column features four human-related items: a hand holding a mouse, two hands with colored fingers, a pair of large blue eyes, and a smiling brain wearing glasses. A vertical line is drawn between the two columns to separate them.
