Yesterday was not a perfect day...

I had a terrible day. It started badly and just got worse.

I _____(wake up) late because I _____(forgot) to set my alarm clock.

Because I was late, I ran to the train station but when I got there I _____ (realise) I _____ (not bring) my season ticket. I missed my train.

By the time I _____ (arrive) at work, the staff meeting _____(started). I really wanted to finish work at the usual time of 5pm because I wanted to see my favourite band at a concert. But I _____ (not leave) on time because I _____ (not complete) the report my boss had asked for.

I left work late - and by the time I arrived at the concert venue, the band had already finished playing. I wept like a child.
