## CLB 5 Being Late

### Instructions:

1. Make a list of reasons for being late.

| Name | Reason | Is this reason<br>okay in<br>Canada? | Is this reason<br>okay in the<br>country you<br>know well? |
|------|--------|--------------------------------------|------------------------------------------------------------|
|      |        | Yes or No                            | Yes or No                                                  |
|      |        |                                      |                                                            |
|      |        |                                      |                                                            |
|      |        |                                      |                                                            |
|      |        |                                      |                                                            |
|      |        |                                      |                                                            |
