

Match the words on the left with the ones on the right to form compound nouns.

baggage  
carry-on  
flight  
oxygen  
boarding  
check-in  
overhead  
tray

attendant  
compartment  
luggage  
pass  
claim  
counter  
mask  
table

Use the compound words in **A** to complete the sentences below.

- When you arrive at the airport for your flight, you go to the check-in counter first.
- You can bring carry-on luggage on the plane with you.
- Before you get on the plane, you must show your boarding pass.
- When you enter the plane, you put your luggage in the overhead compartment.  
You may need to ask a flight attendant for help.
- Before takeoff, you learn about safety. They show you how to use an oxygen mask.
- During the flight, you are served drinks on your tray.
- After the flight is over, you go to the baggage claim area to get your luggage.
