NEW YORK CITY

New York is and because it has a high number of population living in it.

I want to visit Seoul because it is and clean you can explore the nature there, but it is an city because you spend a lot of money to go there.

San Salvador is because has a lot of trash in many parts of the city and also, it is because you have to be careful which parts you visit.

Mexico City is , you can visit many places and you can learn about its costumes and cultures.
