Hi Karen!

When I was about 14, I used to be really rude to my parents and they got completely fed up with me so they sent me away to live with my grandmother on one of the islands. It was terrible! It was really isolated and hardly anybody lived there. You 1)_____ get TV or anything like that and everybody worked on farms. I 2)_____ get up at 6 a.m every morning and milk the cows and then my grandmother told me to go with her to help in the fields.

The work was very hard, but if I complained she told me I 3)_____ be grateful for what I had! I didn't see any of my friends and if I 4)_____ contact them, I 5)_____ write letters because she said I 6)_____ use the phone. But they were always very kind to me so slowly I realized I 7)_____ be rude to get what I wanted and now I 8)_____ see how much this time away helped me.
