The Earthquake

Summary Chapter 3

Write a number 1 to 13 next to each sentence to show the correct order of events:

- a. Silvia tried to get out of the garden into the street so she had to climb over a broken wall.
- b. Silvia wanted to find her mother so she screamed at the drivers but they didn't hear her.
- c. Silvia went to her mother's bedroom but she wasn't there.
- d. Firemen and policemen carried people out of the cinema.
- e. The ground moved under Silvia's feet.
- f. The roof came down and the restaurant was rubble.
- g. She took her shoes off and carried them in her hand.
- h. A long crack started to run up the wall and then the wall opened.
- i. There was rubble across the road, red fires and thick smoke.
- j. Then people started to scream but Silvia couldn't move.
- k. In the centre of town the big church clock showed the right time but the hotel was a ruin.
- l. There was a big crack in front of the Delgado's building but the building was safe.
- m. Suddenly the lights went out and it was nearly dark.
