**FUN TIME!**

UNIT  
5

Fun time is my time,  
It's your time too!  
Fun time for children / everyone,  
So many things / hobbies to do!

Listening / Dancing to music,  
Playing the guitar / recorder,  
These are things I like to do.  
Rollerblading / Painting and watching TV,  
Using the internet too.

Doing karate / exercise is very good,  
And going to the park / zoo.  
But my favourite thing is reading storybooks / comics,  
At night when it's dark.
