

Activity 1: Look at the Modern Family's family tree and decide if the following statements are True or False.

For example: Lily is Phil's daughter. **False**

- Gloria is Luke's mother.
- Jay is Manny's stepfather.
- Cameron is Haley's uncle.
- Claire is Joe's stepsister.
- Alex is Haley's cousin.
- Javier is Gloria's husband.
- Lily is Haley's cousin.
- Mitchell is Cameron's husband.
- Dede is Cameron's mother.
- Joe is Lily, Haley, Luke and Alex's uncle.

Activity 2: Re-write the false sentences to make them True.

For example: Lily is Phil's daughter → False. *Lily is Phil's niece.*
