

10. Add the information in brackets to make a non-defining relative clause.

- a) In 1975 Junko Tabei became the first woman to climb Everest. (She is from Japan)

- b) The very first Olympics were won by a chef called Coroebus. (They were held in 776 BC.)

- c) The first modern Olympic Games were held in Greece. (The ancient games also took place in Greece)

- d) Golf balls used to contain liquid. (They are now solid)

- e) Richard Williams was extremely poor as a child. (His daughters Serena and Venus are both multi-millionaires)

11. Circle the correct alternative.

This morning we **'ve played/ played** our first game of badminton at school. The teacher put us in pairs and **gave/ had given** us each a shuttlecock, **which/ that** is like the 'ball'. First we just threw it to each other. It was quite slow at first but when we **were getting out/ got out** the rackets it was much more fun.

We **were leaving/ left** school when Ms French **reminded/ was reminding** us to prepare for the summer fair tomorrow. So I **'m going to make/ will have made** some cakes this evening.
