Writing Practise.

Rewrite the story.

- eleven - responsible - hardworking - boy -

- afternoon - helps - father - serves - customers

- homework - night - revision - teaches - brother

This is Nabil. He is the eldest in his family. Nabil is eleven years old. He is a responsible and hardworking boy.

Every afternoon after school, he helps his father. He serves the customers at his father's roti canai stall. He helps his father to make coffee and tea for his father's customer. The customer likes the roti canai and drinks served at his father's stall.

After helping his father, Nabil does his homework at night. Then, he does some revision before going to bed. Nabil also teaches his younger brother to read.
