

NAME:	EDUCATION YEAR 2ND TERM 2ND ENGLISH WRITTEN EXAM FOR 7TH GRADES
SURNAME:	
NO:	

A) Read the passage and write "True--- False"

Pollution is a big problem in today's world and people are responsible for it. We pollute the Earth in many ways. We throw litter in the environment, destroy the forest and we don't recycle. We don't prefer public transportation and use car. When we brush our teeth, we waste the water. But we must do something to save our World. For example, we must cycle to work or walk because cars produce dangerous gases and pollute the air. We must plant trees because they give off oxygen for us to live. We must also recycle paper, glass, plastic.

- 1- Pollution isn't a big problem in today's world _____
