

# HISTORY

## EXAM PRACTICE 2

### 1. Drag and drop the words from the box to complete the timeline.

3,500 B.C                      0                      476 A.D                      1492 A.D                      1789 A.D

The timeline consists of a horizontal line with five vertical tick marks corresponding to the dates 3,500 B.C, 0, 476 A.D, 1492 A.D, and 1789 A.D. Below each tick mark is an empty rectangular box. A horizontal line runs below these boxes, with colored lines connecting them to a box below: 3,500 B.C to 0 (orange), 0 to 476 A.D (green), 476 A.D to 1492 A.D (yellow), 1492 A.D to 1789 A.D (blue), and 1789 A.D to the end (purple).

ANCIENT TIMES	MIDDLE AGES	EARLY MODERN AGE	PREHISTORY	MODERN AGE
French Revolution	Jesus Christ was born.	Invention of writing.	Fall of the Roman Empire	Discovery of America

### 2. Choose the correct option.

- The Romans came to the Iberian Peninsula.
- The steam engine was invented.

- i) In the Middle Ages, everybody could read and write.  TRUE  FALSE
- k) In the Modern or Contemporary Age, the steam engine was created.  TRUE  FALSE

### 4. Complete the text with the words from the box.

Prehistory started with the first \_\_\_\_\_, about 5 million years ago. Prehistoric people lived in caves. They hunted and collected food and they discovered \_\_\_\_\_ and invented the \_\_\_\_\_. Then, around 3,500 B.C, people invented writing. This was the beginning of Ancient Times.

During Ancient Times, there were great civilizations, like the \_\_\_\_\_, the Romans and the Egyptians. Some of them came to the Iberian Peninsula. The Romans called it \_\_\_\_\_. Then, with the fall of the Roman Empire, in \_\_\_\_\_, the Middle Ages started.

The Middle Ages was the period of the kings, princesses and knights. Rich people were nobles and priests. The nobles lived in \_\_\_\_\_ and the priests lived in \_\_\_\_\_. In 711 A.D, the \_\_\_\_\_ came to the Iberian Peninsula, conquered the south and called it al-Andalus.

In 1492 A.D Christopher Columbus discovered \_\_\_\_\_. This was the beginning of the early Modern Age. In Spain, there were many important writers and artists in this time, like Cervantes and Velazquez. This period is called the \_\_\_\_\_.

Golden Age	castles	Hispania	humans	fire
monasteries	Muslims	Greeks	wheel	476 A.D
				America
