2

People say that actress Nicole Kidman **suffers from** this phobia. It is closely linked to a general **fear** of insects. People with this phobia are afraid of most insects with wings, and they feel nauseous or they **panic** if they see them. *Comment*

3

This phobia is quite common in young children, but adults suffer from it, too. Many are especially afraid of having vaccinations or blood tests. *Comment*

4

This fear affects nearly one in every 20 adults. People with this phobia usually avoid tall buildings, skiing, or standing on balconies. *Comment*

5

This phobia affects many people, but women more than men. These people feel very anxious or **scared** if they are in a noisy place where there are a lot of people, for example a shopping mall or a sports stadium. They often avoid these kinds of places. *Comment*
