

Design your own Perfect Global Goals country

Country Name:

Task 1 Plan your country

Look at the list of goals - Select the best solutions to achieve each of the goals.

GOAL	Solutions
Goal 1 - End poverty in all its forms everywhere	• Support families in need with benefits. • Reduce carbon footprint. • Make sure tax money is used properly
Goal 2 - End hunger and ensure everyone has access to healthy and nutritious food	• Limit food waste in supermarkets of developed countries. • Build better highways. • Put a harder tax on rich people. • Reduce the price of nutritious food, especially in poorer countries.
Goal 3 - Ensure healthy lives and promote well-being for all at all ages	• Free vaccinations. • Cheap access to mental health support. • Check cities' water pipes daily.

Goal 4 - Ensure inclusive and good education for all people	• Provide free books and learning materials. • Back up expensive private schools. • Fix old public schools.
Goal 5 - Achieve gender equality and empower all women and girls	• Establish equal pay between men and women. • Make Home Economics as a mandatory subject for girls. • Eliminate gender specific job requirements.
Goal 6 - Make sure everyone has access to safe and clean water	• Distribute healthy food across cities. • Invest money on water purifiers. • Check cities' water pipes daily.
Goal 7 - Make sure everyone has access to safe and clean energy	• Give benefits to all houses that install solar panels • Support the development of electric cars. • Discover new coal mines.
Goal 8 - Promote inclusive and sustainable economic growth so that everyone is able to have decent work prospects	• Raise the minimum wage. • Provide fair job interviews. • Prioritise best jobs for the family of the manager.
Goal 9 - Build resilient infrastructure and ensure these do not harm the environment or people, and help companies to design and create new technologies and innovations	• Build better highways. • Limit public buses. • Develop cycle ways in cities

Goal 10 - Reduce inequality within and among countries	• Force poorer countries to pay their debt. • Pardon poorer countries debt.
Goal 11 - Make cities and human settlements inclusive, safe, resilient and sustainable	• Provide cultural centres for every culture within the city. • Separate neighbours by cultures. • Support different religious festivals and traditions.
Goal 12 - Ensure sustainable consumption and help to stop food waste	• Limit the amount of food restaurants and supermarkets can throw away. • Give away food surplus to families in need. • Establish a gender quota for specific workplaces.
Goal 13 - Take urgent action to combat climate change and its impacts	• Promote the use of carbon, gas and other fossil fuels. • Limit the use of plastic in supermarkets. • Limit carbon footprints of big companies.
Goal 14 - Conserve and protect the oceans and marine life	• Restrict fishing in certain areas. • Limit the amount of waste thrown to the sea by big companies. • Build bigger shipyards.
Goal 15 - Protect, restore and promote nature and the animals that live in it	• Support fox hunting. • Stop the deforestation of forests. • Protect endangered species.

Goal 16 - Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels	• Provide free, high quality lawyers for everyone. • Create laws to make presidents and prime ministers accountable for their mistakes. • Give more power to politicians so they can do whatever they see fit.
Goal 17 - Create new partnerships around the world for the Global Goals	• Hold an international meeting to discuss global goals • Block the USA from future agreements.

TASK 2 - Draw a map of the country, draw the facilities it will have, annotate and write labels to show how it's meeting all the goals. Use the list above as a checklist to make sure you have everything covered.
