Peter and the Wolf

Click on the mp3 audio and listen to the story. Then, write the numbers in the correct order.

1 **Peter and his grandfather**

Peter has a great imagination.

He thinks that it must be lots of fun to hunt a wolf.

But his grandfather doesn´t let him.

The hunters

They hear the gunshots of some hunters.
Thy are safe!

The forest

One day, when his grandfather is asleep, Peter escapes to the forest.

The capture

Together they capture the wolf and they decide to take it to the zoo.

The wolf

A hungry wolf appears and tries to eat them all. But Peter and his friends quickly climb a tree.

The duck, the cat and the bird
