

Fronted Adverbials

I can use fronted adverbials.

Mr Jay has been preparing to teach a lesson to his class but he has been called away on a secret mission. Can you help him to complete the sentences on the board by inserting an appropriate fronted adverbial into the sentences?

the lightning
had struck.

the children ate
their lunch.

eagles soar.

Year 6 completed
their times
tables tests.

the teacher
forgot to give out
the homework.

the baby gurgled
contently.

the summer
holidays arrived.

the birds tweeted
merrily.

Eventually	Afterwards	Unexpectedly	Outside	In the blink of an eye	Above the clouds	Nearly asleep	Anxiously
------------	------------	--------------	---------	---------------------------	---------------------	---------------	-----------

Write your chosen fronted adverbial into the box.

Now, complete the sentences below. Use the blank one to create your own sentence with a fronted adverbial.

In the middle of the night,	
Every Sunday,	
Out on the playground,	
Finally,	
Far away from here,
