

It's All over Now, Baby Blue

Bob Dylan

You must leave now, take what you need, you think will last

But whatever you wish to keep, you better _____ it fast

Yonder stands your _____ with his gun

Crying like a fire in the sun

Look out, the saints are comin' through

And it's all over now, _____

The highway is for _____, better use your sense

Take what you have gathered from coincidence

The _____ painter from your streets

Is drawing crazy patterns on your sheets

The sky, too, is folding under you

And it's all over now, baby blue

All your _____ sailors, they are rowing home

Your empty-handed army is all going home

You lover who just walked out your door

Has taken all his _____ from the floor

The carpet, too, is moving under you

And it's all over now, baby blue

Leave your _____ stones behind now, something calls for you

Forget the _____ you've left, they will not follow you

The vagabond who's _____ at your door

Is standing in the clothes that you once wore

Strike another _____, go start anew

And it's all over now, baby blue
