

HAPPIER by Ed Sheeran

Walking down 29th and Park

I saw you in another's [redacted]

Only a month we've been apart

You look happier

Saw you walk inside a [redacted]

He said something to [redacted] you laugh

I saw that both your smiles were twice as wide as ours

Yeah, you look happier, you do

Ain't nobody hurt you like I hurt you

But ain't [redacted] love you like I do

Promise that I will not take it personal, baby

If you're moving on with someone [redacted]

'Cause baby, you [redacted] happier, you do

My friends told me one day I'll feel it too

And until then I'll smile to hide the truth

But I know I was happier with [redacted]

Sat on the corner of the [redacted]

Everything's reminding me of you

Nursing an empty bottle and telling myself you're happier

Aren't you?

But ain't nobody hurt you [redacted] I hurt you

But ain't nobody need you like I do

I know that there's others that deserve you

But my [redacted], I am still in love with you

But I guess you look happier, you do

My [redacted] told me one day I'll feel it too

I could try to smile to hide the truth

But I know I was happier with you

'Cause baby, you look happier, you do

I knew one day you'd fall for someone new

But if he breaks your [redacted] like lovers do

Just know that I'll be waiting here for you.
