

# EARTH DAY

Each year, on 22nd April, we celebrate the Earth Day to **protect** the planet from things like **pollution** and **deforestation**.

1. Watch the video and **complete** activity 2.

## 2. Match the sentences with the correct pictures.

A whale is helping smaller sea creatures who are trapped in **plastic waste**.

On land a young boy is **asking for help** to clean the sea.

It is **not easy** to protect the planet **alone**.

**Fishermen** and many **boats** are cleaning the sea from plastics.

We all have to protect our Earth **TOGETHER!**
