

## BREAKING WORDS INTO SYLLABLES

Divide each word into syllables by putting a **slash ( / )** symbol between each syllable. Write the number of syllables in each word on the line.

One is done for you.

les

Words	Write and separate Syllables	Number of Syllables
animal	a/ni/mal	3
winter		
multiply		
paper		
investigate		
community		
skeleton		
computer		
elephant		
basket		
family
