

COMPLETA INSERENDO IL NUMERO GIUSTO:

$2 \times \square = 16$

$6 \times \square = 24$

$9 \times \square = 81$

$4 \times \square = 16$

$5 \times \square = 35$

$4 \times \square = 0$

$7 \times \square = 49$

$9 \times \square = 36$

$2 \times \square = 20$

$6 \times \square = 48$

$2 \times \square = 14$

$6 \times \square = 54$

$8 \times \square = 64$

$3 \times \square = 27$

$8 \times \square = 16$

$9 \times \square = 72$

$4 \times \square = 32$

$9 \times \square = 45$

$5 \times \square = 40$

$8 \times \square = 56$

$7 \times \square = 21$

$3 \times \square = 18$

$7 \times \square = 42$

$5 \times \square = 25$

$1 \times \square = 9$

$6 \times \square = 36$

$6 \times \square = 6$

$7 \times \square = 28$

$4 \times \square = 12$

$3 \times \square = 15$
