The girl and the wolf

One afternoon (1) wolf waited in (2) dark forest for (3)
girl to come by. He was very hungry because it had been (4) long
time since he had eaten anything. Finally, (5) little girl did come along
(6) path and she was carrying (7) basket of food.
(8) girl was happy, (9) weather was good, (10)
sun was shining and (11) birds were singing. She loved (12)
nature and being with (13) animals. 'What (14) beautiful
day!' she thought. She was happy that it was (15) holiday and that she
wasn't at (16) school.
(17) wolf asked her if she was going to visit her grandmother and she
said that she was. So (18) wolf asked her where her grandmother lived
and (19) little girl told him. Then he ran off.
When (20) little girl opened (21) door of (22)
Granny's house, she saw that there was
somebody in (23) bed listening to (24) radio, wearing (25)
nightcap and nightdress. When she
was no nearer than ten metres from (26) bed, she saw that it was not
her grandmother but (27) wolf – because everybody knows that (28)
wolf in (29) nightcap looks nothing like your granny! So she ran out of
(30) house and called (31) police, asking them to find her
granny!

Moral

It is not so easy to fool (32) little girls nowadays as it used to be!
