### Heart Attack

Demi Lovato

Putting my defenses / things up  
'Cause I don't wanna fall in love / you  
If I ever did that, I think I'd have a heart attack

Always / Never put my love out on the line  
Never said yes / No to the right guy  
Never had trouble / problem getting what I want  
But when it comes to me / you, I'm never good enough  
When I don't care, I can play 'em like a Ken doll  
Won't wash my hair, then make 'em bounce like a basketball / volleyball

But you make me wanna act like a girl / boy  
Paint my nails and wear high heels  
Yes, you make me so nervous that I just can't hold your hand / arm

You make me glow  
But I cover up, won't let it show  
So I'm .....

I think I'd have a heart attack  
I think I'd have a heart attack

Never break a sweat for the other days / guys  
When you come around, I get surprised / paralyzed  
And every time I try to be myself / yourself  
It comes out wrong like a cry for help / day  
It's just not fake / fair; pain's more trouble than love is worth  
I gasp for air; it feels so good, but you know it hurts

But he / you make me wanna act like a girl  
Paint my nails and wear perfume for you  
Make me so nervous that I just can't hold your hand  
You make me glow  
But I cover up, won't let it show  
So I'm .....

I think I'd have a heart attack  
I think I'd have a heart attack

The feelings got lost in my lungs  
They're burning; I'd rather be numb (rather be numb)  
And there's no one else to blame (no one else to blame)  
So scared, I take off, and I run  
I'm flying too close to the sun / sky  
And I burst into fla-fla-flames

You make me glow  
But I cover up, won't let it show  
So I'm .....

I think I'd have a heart attack (heart attack)  
I think I'd have a heart attack-tack  
I think I'd have a heart attack (oh, I think I'd have a heart attack)  
I think I'd have a heart attack
