

All That She Wants by Ace of Base

Listen to the song. Choose the correct article and then complete with the correct article.

She leads **a/the** lonely life

She leads **a/the** lonely life

When she woke up late in **a/the** morning light

And **a/the** day had just begun

She opened up her eyes and thought

Oh what **a/the** morning

It's not **a/the** day for work

It's **a/the** day for catching tan

Just laying on **a/the** beach and having fun

She's going to get you

Chorus:

All that she wants is another baby

She's gone tomorrow boy

All that she wants is another baby

All that she wants is another baby

She's gone tomorrow boy

All that she wants is another baby

All that she wants - all that she wants

So if you are in sight and _____ day is right

She's _____ hunter you're _____ fox

The gentle voice that talks to you won't talk forever

It is _____ night for passion

But _____ morning means goodbye

Beware of what is flashing in her eyes

She's going to get you

Chorus...
