A- READING COMPREHENSION**Shopping is my life!!!!**

My name is Cathy and I love going to the shops. I like buying trainers, makeup and T-shirts! I have 50 T-shirts and 30 pairs of trainers in my wardrobe, all different colours and with different stamps. At the moment I'm wearing a pair of jeans, a black T-shirt with the Rolling Stones tongue on it and a pair of red and gold trainers. I usually lend my clothes to my friends.

Right now, I'm sitting in my bedroom, drinking a cup of hot chocolate (my favourite drink) and writing a blog about the shops that I can recommend for people of all ages.

YOU! You! is a new shop that has clothes for teenage boys and girls. The shop is huge!!!! The shop assistants use a computer program to help you choose the colours for the clothes you want to buy. It isn't very expensive and the shop assistants are really friendly!! Yesterday I bought a T-shirt, but not for me!!! It was for my friend Lucy. It was her birthday!

Flo's Place : My brother and I always buy party costumes from Flo's Place. It has everything you need for a party from funny hats and masks to super-hero costumes. It's very popular so you often need to stand in a queue. Right now, I'm inside the shop buying a Power Ranger costume for my little brother. He has a costume party on Saturday. He is so anxious!

Garage Sales My neighbours are having a garage sale this morning. In fact, they have one every month. They sell anything you can imagine, from CD's to old bikes and chairs. You can find very interesting things and they are always cheaper than in the shops. My grandpa is now buying a metal ladder and an old version of the book Animal Farm.
