Term 2 - Week 1 - Reinforcement
Worksheet # 02

Name: _____

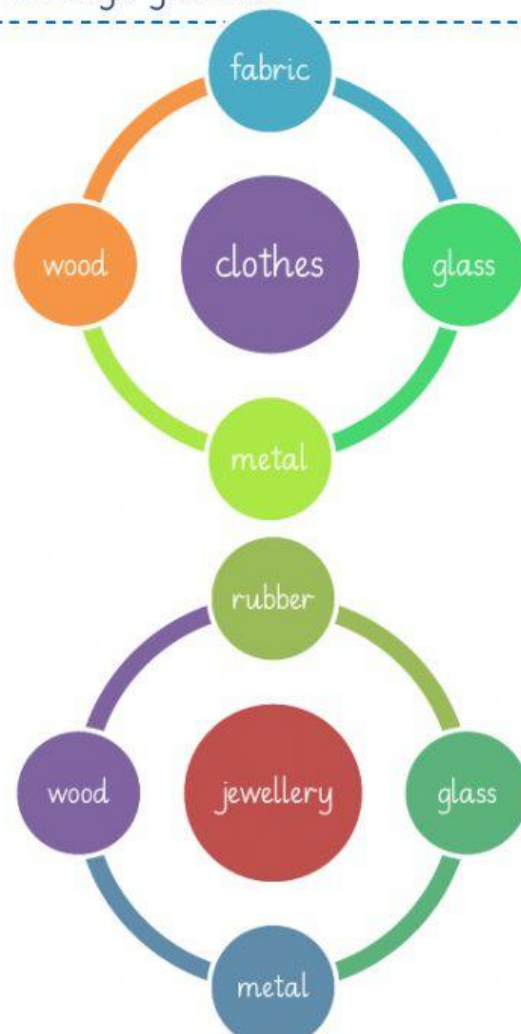

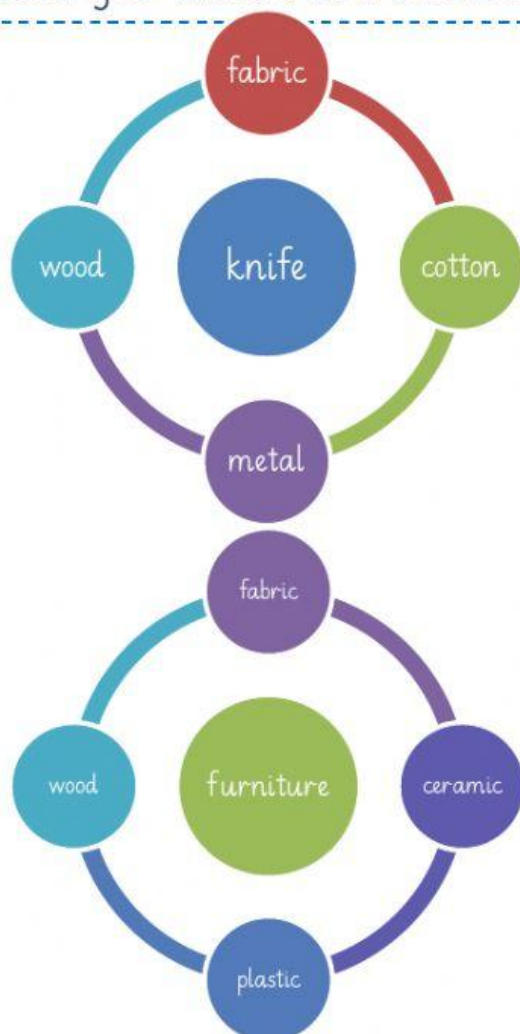

Class: I

Date: _____

Topic: Suitability of Materials

This worksheet is linked to the shared video lesson. The objective of today's learning is:
✓ To recognise the suitability of materials used in making different things

Tick the most suitable material that can be used in making the given objects. You can record your answers on a loose sheet or a rough journal.

How do you feel about your understanding? You can draw the faces on your rough journal.

Objective			
I can identify the materials that are suitable to make an object
