READING: Read and complete the sentences with one or two words.

Me and my phone

Sally writes about her mobile phone

My mobile phone is really important to me. I take it to school every day. We can't use our phones during lessons, but when there's a break I always read my messages. I have more than a hundred friends on social media!

I don't make many phone calls, but I send lots of text messages. My mum often calls me – she always wants to know where I am! Using my mobile phone all the time is expensive, but I'm lucky – my parents pay for it.

I also use my phone to listen to music, and to watch videos. At night I keep it next to my bed. My mobile phone is my world!
