

So lately, been wondering
Who will be there to **take / make** my place
When I'm gone, you'll need love
To light the shadows on your **pace / face**

If a great wave shall fall
And fall upon us all
Then between the sand and stone
Could you make it on your own?

If I could, then I would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go

And maybe, I'll work out
A way to make it back **someday / one day**
To watch you, to light / **guide** you
Through the darkest of your days

If a great wave shall fall
And fall upon us all
Well then I hope
there's **somebody / someone** out there
Who can bring me back to you

If I could, then I would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go

Run away with my _____
Run away with my _____
Run away with my _____

I know now, just **quite** how
My life and love might still go on
In your heart, in your **mind / mine**
I'll stay with you for all of time

If I could, then I would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go

If I could **go / turn** back time
I'll go wherever you will go
If I could make you **my / mine**
I'll go wherever you will go
I'll go wherever you will go
