

1 – Assinala com uma X **as imagens** que representam o número 16.

2- Conta de 4 em 4 e completa.

3- Calcula.

$7 + \square = 15$
$\square + 6 = 14$
$2 + \square = 11$
$\square + 6 = 13$
$7 + \square = 14$
$\square + 7 = 16$
$3 + \square = 10$
$\square + 7 = 15$

3- Conta e coloca o número correto na etiqueta.
