

Complete the following graphic organizer. Drag the images of the living things in order to show the sequence of the Food Chain.

Match the words from column A with its definitions in column B.

Column A

Herbivore ●

Carnivore ●

Omnivore ●

Column B

● An animal that eats other animals.

● A consumer that eats both plants and animals.

● An animal that eats only plants.

Read the following statements. Select the correct answer.

1. An animal that is hunted by a predator. (prey – food chain)
2. The path of food from one living thing to another. (predator – food chain)
3. A diagram that shows how energy gets used in a food chain. (energy pyramid – prey)
