ENJOYING THE THRILL

Most people want a peaceful job, with no danger, but not Simon Addlington. Simon is a film stuntman. He does all the dangerous things that the main actors don't want to do! He's jumped off a moving train, and he's driven a car into a deep river. He's also run into burning buildings and swum in the sea with sharks. 'I don't really get scared,' Simon says. 'I just feel very excited when I'm going to do something dangerous. I'm also careful. I only take risks if they're necessary.'

Simon has had a lot of injuries in his job. He's broken one of his legs, and he's sprained his shoulder five times. He's also burnt his arms twice, when he ran into a burning building for a James Bond film. But he doesn't mind the injuries, because he loves his job. 'It's more interesting than working in an office!' he says.
