BARS AND MELODY

Please help me God, I so alone	always
I'm just a, I can't take it on my own	feel
I've cried so many tears, yeah, this song	home
Trying to fit in. do I belong?	kid
I wake up every day, don't wanna leave my	walking
My mamma's asking me why I'm alone	where
Too scared to say, too scared to holler	writing
I'm to school with sweat around my collar	

I'm just a kid, I don't want no stress	bad
My nerves are bad my 's a mess	I've done
The names you call me, they hurt real	life
I want to tell my	living
She's having trouble with my Dad	Mom
I feel so trapped, there's nowhere to turn	school
Come to	
Don't wanna fight I wanna learn	
So please mister Bully	
Tell me what	
You know I have no Dad	
I'm with my Mom	

'Cause I'm hopeful, yes, I am
Hopeful for today
Take this music and use it
Let it take you away
And be hopeful, hopeful
And He'll make a way
I know it ain't easy but that's okay
Just be hopeful

Why do you trip at the color of	angel
And whether I'm fat or whether I'm	books
You call me, you call me a fool	looks
I ain't got a choice, I gotta go to school	loser
I wish I had an to stick by my side	my skin
I'm shaking with fear, I'm so inside	scared
Doesn't really matter if I ain't got the	thin
Why do you always hurt me and destroy my.....?	

'Cause I'm hopeful, yes, I am
Hopeful for today
Take this music and use it
Let it take you away
And be hopeful, hopeful
And He'll make a way
I know it ain't easy but that's okay
Just be hopeful

I give you all my every single day
I didn't ask to be born but now I have to
