

TEST ACHIEVERS UNIT 1

Films into films

Hi, I'm Amy Blake and I'm 15. I live and go to school in Oxford. Normal! But I've got an interesting hobby. I go to the cinema every week. Normal! But I know a lot about films and a lot of people know about me! Why? Because I'm a blogger and I make blogs about films! Lots of people write blogs and put them online, but I make short films called **vlogs**. **Vlogs** are like blogs, but they are films, not texts. In my **vlogs** I talk about the films I see at the cinema – good and bad films! I make my vlogs at home and I usually do it at weekends. I don't make **vlogs** every week. I do it every two weeks.

My friends watch my vlogs, and now other people in the UK watch them too. People write comments to me. They think my **vlogs** are funny!

I love my hobby. I really enjoy making my **vlogs**. One day I want to go to film school. I want to be a director and make films for the cinema!
